*****NOTE*****NOTE*****NOTE*****

There has been some confusion from the loyal readers of Bird Droppings as to which events they are allowed to bring their

own bird(s) to. As a point of reference and for future information please we want everyone to be aware that when you see the line:

*****Our Club Has a Booth at This Event*****

following or “Educational Show” preceding an event listing it means we are attending the event in an official capacity representing our club and rescue. At these events all club members are welcomed to bring their feathered companions with them. Also please note that our space is very limited at some of these events but don’t let this stop you from joining us, we will find a way for you and your birdie buddy to fit in and enjoy the fun.
